BARREL ROOM

Our mezzanine Barrel Room can accommodate up to 14 people seated and approximately 25 people standing. This is a great space for smaller groups, which gives you some privacy, with a great view of the distillery and still accessing some of the atmosphere from the main bar.

THE BAR

The lower bar area can be structured in a few different ways and can accommodate larger standing (cocktail-style) set ups or seated lunches or dinners.

FULL VENUE

The full venue can hold up to around 120 people cocktail-style, perfect for big group celebrations, corporate functions, exclusive events, even weddings!

In the foreground, a white oval plate with a gold rim holds a piece of dark meat, possibly steak, garnished with green onions and a yellow sauce. To the left, several wine glasses are lined up on a dark placemat, some containing a golden liquid. A clear glass of water sits on a blue napkin in the lower left. In the background, another plate of food and more glasses are visible. The scene is lit with warm, ambient light.
